

Curriculum Vitae (CV) for Faculty Staff

Personal statement: Contribute to top academic institutions by applying my clinical and research expertise in a dynamic educational setting, fostering the development of future generations and achieving international academic standards.

1. Personal Information	
Name:	Dina Mohamed Kamal Eldin Mohamed Ali
Faculty:	Faculty of Dentistry – Ibn Sina University for Medical Sciences
Department:	Conservative Dentistry Department
Contact info.	dina.kamal@isums.edu.jo

2. Education			
Date	Issuing institute	Field	Degree
2020	Faculty of Dentistry, Cairo University	Restorative and Esthetic Dentistry (Conservative Dentistry)	Doctorate degree (PhD)
2017	Faculty of Dentistry, Cairo University	Restorative and Esthetic Dentistry (Conservative Dentistry)	Master's degree (MSc)
2011	Faculty of Dentistry, Cairo University	Oral and Dental Medicine and Surgery	Bachelor of Dental Surgery (BDS)

3. Specialization and area of interest	
General	Conservative Dentistry
Focus area	Restorative Dentistry, Esthetic Dentistry, Adhesive Dentistry, Dental Biomaterials, Preventive Dentistry, Dental Cariology

4. Professional experience	
Position	Date
Assistant Professor, Conservative Dentistry Department, Faculty of Dentistry, Cairo University	Mar 2021 – Present
Assistant Professor, School of Dentistry, Newgiza University (in collaboration with UCL, UK)	Mar 2021 – Aug 2023
Lecturer, Conservative Dentistry Department, Faculty of Dentistry, Cairo University	Sep 2018 – Feb 2021
Lecturer, School of Dentistry, Newgiza University (in collaboration with UCL, UK)	Dec 2016 – Aug 2018
Assistant lecturer, Conservative Dentistry Department, Faculty of Dentistry, Cairo University	Nov 2013 – Nov 2016

5. Research Experience

Supervised postgraduate theses, publications and assisted candidates in designing and conducting research projects.
Reviewed and revised research proposals according to internationally approved reporting checklists (CONSORT, PRISMA, etc.).
Conducted peer reviews for international journals.
Contributed to the departmental research plan by identifying research questions, designing methodologies, and addressing community-based oral health issues.
Published multiple international articles.

6. Publications

Name of Author(s)	Title
ORCID: https://orcid.org/0000-0002-3814-9586	
Hamsa Ashraf, Adel El Tannir, Ahmed El Zohairy, Dina Kamal	Clinical performance of indirect hybrid ceramic onlay restorations cemented with injectable resin composite versus dual-cure resin cement: an 18-month randomized clinical trial
Menna El Ghamrawy, Dina Kamal, Heba Hamza	Clinical performance and cost-effectiveness of low-shrinkage giomer resin composite versus resin-modified glass ionomer in cervical carious lesions: a 12-month randomized controlled trial
Dina Kamal, Doaa Abdou	Effect of Laser Conditioning on Shear Bond Strength and Durability of Universal Adhesive to Dentin: An In Vitro Study
Nora A Salah, Inas Elghandour, Dina Kamal	Clinical Performance of Resin Composite with Surface Prereacted Glass Ionomer Liner vs Resin-modified Glass Ionomer in Class V Carious Lesions: An 18-month Randomized Clinical Trial
Rawda Abd ElAziz, Dina Kamal, Dina Ahmed	Performance of self-adhesive bulk-fill hybrid versus incremental resin composite in compound class II restorations: a one-year randomized clinical trial
Maha Elbaz, Dina Kamal, Manar A. Elmokanen	Remineralizing Effect and Ion Release of Pearl Powder versus Casein Phosphopeptide Amorphous Calcium Phosphate on Non-cavitated Initial Enamel Lesions: An In Vitro Study
Hend Taha Hanafi Mahmoud, Ahmed El Hoshy, Dina Kamal	Performance of Universal Adhesives Containing M-TEG-P and 10-MDP Monomers Restoring Non-Carious Cervical Lesions in Geriatric Patients: A One-year Randomized Clinical Trial
Dina Kamal, Nancy Helmy, Yomna Sayed	Hazards and biocompatibility of nano-biomaterials: strategies to improve biocompatibility of materials and operative techniques
Dina Kamal, Hassan Hassanein, Mai Akah, Mostafa A Abdelkawy, Heba Hamza	Caries Preventive and Antibacterial Effects of Two Natural Mouthwashes vs Chlorhexidine in High Caries-risk Patients: A Randomized Clinical Trial
Dina Kamal, Hassan Hassanein, Dina Elkassas, Heba Hamza	Complementary remineralizing effect of self-assembling peptide (P11-4) with CPP-ACPF or fluoride: An in vitro study
Dina Kamal, Hassan Hassanein, Dina Elkassas, Heba Hamza	Comparative evaluation of remineralizing efficacy of biomimetic self-assembling peptide on artificially induced enamel lesions An in vitro study

7. Conferences and Presentations

Name- organizer	Place and date	Type of participation
Scientific Day of Conservative Dentistry, Faculty of Dentistry, Cairo University	Egypt (2025)	Speaker and Attendee
SHOFU's 4th Scientific Symposium	Egypt (2024)	Speaker and Attendee
EGY Health International Congress & Exhibition "EGY Health Expo"	Egypt (2024)	Organizer and Attendee
Scientific Day of Conservative Dentistry, Faculty of Dentistry, Cairo University	Egypt (2024)	Attendee
Galala International Dental Congress, Faculty of Dentistry, Galala University	Egypt (2023)	Attendee
6 th Cairo International Dental Congress (CIDC)	Egypt (2023)	Organizer and Attendee
SHOFU's 3 rd Scientific Symposium	Egypt (2023)	Speaker and Attendee
1 st Egyptian Universities Conference for Industrial Nationalization	Egypt (2023)	Organizer and Attendee
SHOFU's 2 nd Scientific Symposium	Egypt (2022)	Attendee
5 th Cairo International Dental Congress (CIDC)	Egypt (2017)	Speaker and Attendee

8. Training courses

Course name-organizer	Date
Workshop: "Achieve predictable and repeatable results in class IV anterior restorations"	6 th Cairo International Dental Congress (CIDC), Egypt (2023)
Workshop: "Art and science of posterior composite"	6 th Cairo International Dental Congress (CIDC), Egypt (2023)
Workshop: "Staff Development: Excellence in teaching – Excellence in assessment"	UCL visit – Newgiza University (2021)
Webinar: 15 ways to simplify the workflow of anterior ceramic restorations	Centre for Advanced Professional Practices (CAPP) (2021)
Professional Development Courses in Academic Education and Assessment	Faculty Leadership Development Center (FLDC), Cairo University (2018-Present)
Workshop: Faculty staff Development	UCL visit – Newgiza University (2018)
Workshop: Presentation skills and development of a house style for SBAs - OSPEs	UCL visit – Newgiza University (2017)

9. Teaching Experience for last 5 years

Course Name	Year	Institute
CLDNT 4087 Clinical Operative Dentistry III	2024-2025 2023-2024 2022-2023 2021-2022	DIIP International Program – Credit hours system, Year 4, Faculty of Dentistry, Cairo University
CLDNT5179 Comprehensive Clinic Patient Care I	2024-2025 2023-2024	DIIP International Program – Credit hours system, Year 5, Faculty of Dentistry, Cairo University
CLDNT 51710 Comprehensive Clinic Patient Care II	2024-2025 2023-2024	DIIP International Program – Credit hours system, Year 5, Faculty of Dentistry, Cairo University
CONS736 Conservative Clinic III	2024-2025	Master's program, Conservative Dentistry Department, Faculty of Dentistry, Cairo University
CONS745 Conservative Clinic IV	2024-2025	Master's program, Conservative Dentistry Department, Faculty of Dentistry, Cairo University
CONS742 Seminar in Conservative Dentistry II	2024-2025	Master's program, Conservative Dentistry Department, Faculty of Dentistry, Cairo University
CONS832 Dental Cariology	2024-2025	Doctorate program, Conservative Dentistry Department, Faculty of Dentistry, Cairo University
PROSF762 Interdisciplinary Seminar II	2023-2024	Master's program, Fixed Prosthodontics Department, Faculty of Dentistry, Cairo University
CONS712 Conservative Clinic I	2023-2024	Master's program, Conservative Dentistry Department, Faculty of Dentistry, Cairo University
CONS726 Conservative Clinic II	2023-2024	Master's program, Conservative Dentistry Department, Faculty of Dentistry, Cairo University
CONS821 Critical Appraisal	2021-2022	Doctorate program, Conservative Dentistry Department, Faculty of Dentistry, Cairo University
Bridging the Gap between Evidence and Practice (Module I and II)	2021	Continuing Dental Education & Training Center, Faculty of Dentistry, Cairo University

10. committees' membership and community service	
Date	Name or type of membership/service
2024-2025 2023-2024 2022-2023 2021-2022	Co-director, Doctorate (PhD) Program, Conservative Dentistry Department, Faculty of Dentistry, Cairo University
2024-2025 2023-2024 2022-2023	Head of Year 4 Examination and Control Unit, DIIP International Program, Faculty of Dentistry, Cairo University
2024-2025 2023-2024 2022-2023	Member, Research Plan and Evidence-Based Committee, Conservative Dentistry Department, Faculty of Dentistry, Cairo University
2024-2025 2023-2024 2022-2023	Managing Editor and Reviewer, Advanced Dental Journal (ADJ), Faculty of Dentistry, Cairo University
2024-2025 2023-2024 2022-2023	Member, International students Affairs, Faculty of Dentistry, Cairo University
2024-2025 2018-2019	Contributor, Quality Assurance Unit, Faculty of Dentistry, Cairo University
2023-2024 2022-2023	Member, Postgraduate Affairs Committee, Faculty of Dentistry, Cairo University
2022-2023 2021-2022 2020-2021	Member, Staff Training and Development Committee, School of Dentistry, Newgiza University
2021-2022	Head of Year 2 Examination and Control Unit, Mainstream undergraduate Program, Faculty of Dentistry, Cairo University
2020-2021 2019-2020 2018-2019	Member, Year 2 Examination and Control Unit, Mainstream undergraduate Program, Faculty of Dentistry, Cairo University
2021-2022	Contributor, Quality Assurance Unit, School of Dentistry, Newgiza University
2017-2018 2016-2017	Program coordinator and facilitator, School of Dentistry, Newgiza University

11. Awards And Honors

Name	Date	Issuing authority
Honorary Appreciation for Distinguished Efforts in Elevating the Faculty's Journal (Advanced Dental Journal) to Global Standing and Scopus Indexing	2025	Faculty of Dentistry, Cairo University
Certificate of Appreciation for Distinguished Research and International Publication	2021	Faculty of Dentistry, Cairo University
PhD Degree, Grade: Excellent (A), Ranked First (Honor Distinction)	2020	Faculty of Dentistry, Cairo University
Certificate of Appreciation for Contributions and Efforts in the Examination and Control Unit	2019	Faculty of Dentistry, Cairo University
Certificate of Appreciation for Active Participation and Efforts in the Quality Assurance Unit	2019	Faculty of Dentistry, Cairo University
Master's Degree, Grade: Excellent (A), Ranked First (Honor Distinction)	2017	Faculty of Dentistry, Cairo University

12. Other skills

Computer Skills:

- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint, Outlook, Teams)
- Experienced with Google Suite (Gmail, Google Spreadsheets, Classroom, Meets, Forms)
- Familiar with Speedwell Exam Software
- Competent in Learning Management Systems (LMS) such as Moodle, Blackboard, etc.
- Quick to adapt and learn new software or programs

Soft Skills:

- Strong communication and presentation skills
- Eager to learn and continuously improve
- Highly disciplined, diligent, and efficient
- Capable of multitasking while maintaining quality
- Patient, punctual, and versatile in dynamic environments
- Dedicated, perseverance, and able to work under pressure
- Collaborative team player with an innovative mindset
